

Top of the Hill Preschool of Oakwood

May 2024

Dear Parents,

Here we are, the last month of preschool, and it will be busy! I've highlighted the most important dates for May.

- **Thursday, May 9th:** School-wide "Muffins with Moms" @ 9:00-9:30 a.m. Foyer/Blue Room
- **Thursday, May 16th:** Transition Day. During the morning, current students will visit and meet their teachers for the following year at TOTH.
- **Monday, May 20th:** A fun Hawaiian Day with a Kona Ice treat for students. Dress for preschool in Hawaiian clothes and have your child bring a beach towel!
- **Tuesday, May 21st:** Crazy Hair Day!
- **Wednesday, May 22nd:** Mismatch Day (see what clothes your preschooler may come up with to wear to preschool?!) Also, the last day for lunch & extended day sign ups
- **Thursday, May 23rd:** End of the year program @ 11:00 a.m. in the Church followed by light refreshments. Program lasts approximately 20-25 minutes. First two pews will be reserved for families of those graduating from preschool.

Remember over the summer to take advantage of the gem of a library we have in Oakwood, Wright Memorial Library and the wonderful summer reading program!

Speaking of summer...Summer Camp! The week of July 8th will be a carnival theme and the week of July 15 a water theme. Tuition will be on the June statement. A two week cancellation is required. Thank you for your prompt payment.

If for any reason you will not be sending your child to TOTH in the fall, please email me. We want to be fair to those families on our waitlists. We understand plans do change over the summer. We currently have spaces available in our Pre-K Five's classroom. Referrals are greatly appreciated.

I will be in the preschool office with limited office hours over the summer. Email is best if you need to reach me. Your final tuition statement will be emailed to you once the year has ended.

We will miss the children going on to kindergarten. We thank you for allowing us the opportunity to teach your wonderful children! Have a safe and relaxing summer.

Take care.

Janna Piechota
Preschool Director
