Summer Camp! The week of June 22nd will be "Pirates" theme and the week of July 20th is "Christmas in July". Tuition will be on the June statement. A two-week cancellation is required. Thank you for your prompt payment.

If for any reason you will not be sending your child to TOTH in the fall, please email me. We want to be fair to those families on our waitlists. We understand plans do change over the summer. As of now, all preschool classrooms are full however, we do have a couple spots in our Pre-K Fives.

I will be in the preschool office with limited office hours over the summer. Email is best if you need to reach me. Your final tuition statement will be emailed to you once the year has ended.

We will miss the children going on to kindergarten, 19 graduating students! WOW! We thank you for allowing us the opportunity to teach your wonderful children! Have a safe and relaxing summer.

Take care.
